

Homework for the Week of February 9th-12th

1. Read each night and log your reading.
2. Visit DreamBox and RAZ-Kids at least twice this week!

Language

We looked at prefixes last week and how they changed the meaning of the word. Your child is going to be a word detective as they read this week. They are looking for the prefixes 're', 'im', and 'un'. As they read they can record their findings below. They can also underline the root word. eg. rework impatient unhappy

| re | im | un |
|----|----|----|
| | | |
| | | |
| | | |
| | | |
| | | |

Math

We have just begun describing polygons (2 d shapes). We have used geometric properties such as:

of vertices, # of angles, # of sides, length of sides (are any equal), parallel sides, and right angles

Describe the shape below:
