Literacy:

We've been working on responding to questions using complete sentences, proof from the text and our own ideas.

After reading a fiction book answer the following question:

Title of Book : _____

Is this a good title for this story? Use proof from the text and your own ideas to prove your thinking.

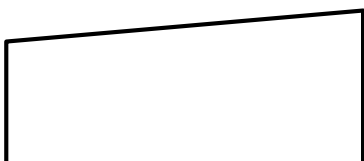

Now reread our answer. Did you use proof from the story? Did you use your own ideas?

Check your spelling - go straight back to the text!
