

Homework: October 6 - 9

1. Read for fifteen minutes each night. Record your reading in your reading log at least three times.
2. Complete the activities below for Thursday.

Happy Thanksgiving to you and your families!!

Write a retell of one of your books that you have read this week. Use our strategy we have learned to retell a text: **Somebody, Wanted, But, So, Finally**. Check that www's are spelled correctly and that you have capitals and periods in the correct places.

Somebody _____
_____ Want
ed _____

_____ But _____

_____ So _____

_____ Finally _____

1. Mrs. Green says that 765 is greater than 756. Is she correct? Show how you know making sure to make your Math thinking visible.

2. Help Mr. Rodgers order these numbers from greatest to least.
479 794 974 749 467

3. Write how much each of the underlined numbers is worth (hundreds, tens, ones). For example: $\underline{8}61 = 60$ or 6 tens

55 _____

454 _____

326 _____

768 _____
