

Homework October 27th

- 1) Read for fifteen minutes each night. Record your reading three times per week.
- 2) Complete the activities below for Thursday.

Halloween Homonyms!

Complete the spooktacular poem below by filling in the blanks with the correct homonyms. Use the word box to help you. Words may be used more than once.

to, too, two, there, their they're, no, know, weather, where, wear, here, hear

I'm trying _____ decide just what _____ _____ on Halloween night.

I want it _____ be special and give everyone one a fright! I asked my mom _____ we could look. She said we should go _____ the store. Mom says _____ all pretty scary, but I'm worried they might be a bore. My friends have all got _____ costumes. _____ parents picked them out.

When I _____ them talking about them, it makes me want to shout. I _____ are still a few days before Halloween is _____. I do have _____ great ideas. Both would cause fright and fear. One is neon and would be fine in _____ that is cold or warm. The other might be a little _____ long for walking in puddles from a storm. I think I'll go with choice number one it's scary and _____ one else's glows at night. So now that I _____ which costume I'll use. I'm ready _____ give everyone a fright!

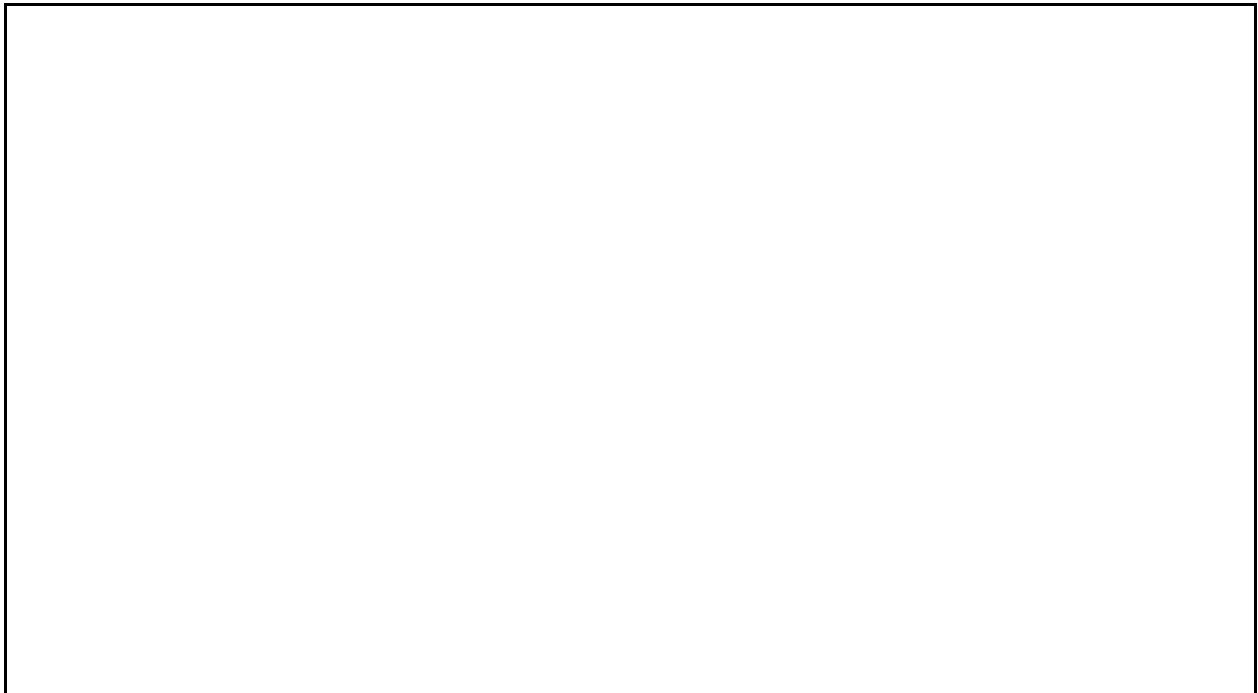

Monstrous Math!

57 scary monsters.

26 silly monsters.

Find the sum of monsters. Justify your answer in the box below.

Remember to use a strategy we've tried in class (adding tens, adding ones -w strategy), number line, friendly numbers. Make sure to show the reader all of your steps in a clear and visible manner.

A large, empty rectangular box with a black border, intended for the student to show their work and justify their answer.
